BROOKLYN WINERY

Specialty Cocktails

THE WARHOL

This gin-based cocktail brings sophistication with an edge. Sparkling wine, mint-infused simple syrup, and fresh squeezed lime juice give The Warhol a bright yet refined taste.

THE MARILYN

Exactly how Ms. Monroe would have wanted her cocktail: sexy, glamorous, and refined. This drink simply oozes warm-weather flavors with its blend of gin, St. Germain, and sparkling wine.

THE MUSE

All artists have a muse, and this drink just might become yours. Our mix of vodka, Cointreau, fresh lime juice, and sparkling wine, plus a dash of orange bitters and a sprig of rosemary for garnish will get your creative juices flowing.

THE VAN GOGH

Van Gogh's "Starry Night" inspired this twilight cocktail, which includes the perfect mix of Cointreau, Goji liqueur, sparkling wine, and a dash of orange bitters.

THE ZELDA AND THE F. SCOTT

Potent and memorable like their namesakes, there are two versions of this cocktail: one masculine and one feminine.

THE F. SCOTT blends sparkling wine, Cointreau, cinnamon-infused brandy, and a dash of orange bitters.

THE ZELDA gets the same treatment plus a raw sugar cube garnish for a bit of sweetness.

THE CRAWFORD

Native Texan Joan Crawford would have appreciated this bold cocktail, a drink that is strong and sturdy like its namesake. Containing Blanco Tequila, agave syrup, lime juice, and orange juice, the cocktail is garnished with lime.
