

# BROOKLYN WINERY

## *Wine Games*

This fun, social team activity combines everyone's favorite games into an event filled with trivia, blind tastings, and even a label making contest—with plenty of delicious wine throughout.

### ACTIVITY DETAILS

Wine Games can be added to our dinner, luncheon, and cocktail party packages. The activity will be integrated into the first hour of the event.

**Length:** 45 minutes

**Capacity:** 20 - 60 people

**Teams:** Guests broken into teams of five

### ACTIVITY STRUCTURE

#### Wine Games Rounds Include:

- 1. Trivia:** Includes four categories: Brooklyn, Food, Winemaking and/or Wine Pop Culture, and Blind Taste Test.
- 2. “Grapes to Grapes”:** Each team is given a different wine-related word (e.g., botrytis, bung) and must come up with their version of the word's definition.
- 3. “Pictionary” Team Name and Label Making Contest:** Each team creates a wine name and draws a label to go along with it. Based on the drawing, other teams have to guess what the label is called.

#### Winning Team & Prizes:

The team with the most points (judged by Brooklyn Winery staff) across all rounds wins! Each guest on the winning team will receive a bottle of Brooklyn Winery wine to take home.
